

**DEAR PARENTS,
PLEASE FIND SOME POINTERS THAT YOU MAY FIND HELPFUL TO KEEP SAFE IN THE
MORNING AND EVENINGS AT DROP-OFF AND COLLECTION TIMES**

1 ~ Please drive slowly on approach to the drop off area. Watch out for pedestrians and cyclists. They will need to cross here

2~ Only busses may enter here. This is a walk only area.

3~ There is no entry for cars up laneway, children have to cross here.

4~ The drop off area is one way turn left on entry

1. Please talk to your child about the importance of road safety and in particular walking in the drop off areas
2. If your child travels by bus remind them of the importance of remaining seated while the bus is moving and wearing their seat belt
3. Thank you for your understanding and patience
