

23 June 2014

At this stage in the year schools are doing two things – one is finishing the programme for this school year and secondly we are preparing for the next Academic year.

I find it amazing that it is 10 years since the school opened .It has been a very busy time for me and one which in so many ways has enriched me.

In September we will have another new class teacher – Ellen Hahessy ,who is most welcome to our school.

A big Thank you must go to Elaine who keeps us all going and does this with a smile at all times.

Thank you also to all the staff who show such a positive attitude to working in LETS.

Our sports day was a great success and thanks to Mungret GAA who were accommodating in every way.

The Board of Management are delighted to see that the book rental scheme is being expanded this year , this is a great opportunity to save money .

The school reports have been delivered and it is hoped that you are pleased with your childs progress – socially as well as academically .

This week we say goodbye to Austin and Antoinette who have been with us over the past year- thank you so much for all your work and we wish you both well in the future.

A big thanks must go to all those involved in growing , watering and selling plants on the 13<sup>th</sup> .

There are still some plants available so don't be shy!

The school has started to work for its second Green Flag which is for energy – more of that to follow in September.

In September we will have a number of new after school activities - Irish Dancing , speech and drama, Art and craft. We will also be continuing guitar lessons and new beginners will be welcome.

I have already booked a company who will be given a workshop on bullying and cyber bullying to children , staff and parents - more info in September.

If you would like to do some fun exercise with your child/children the school has joined a website which is fantastic – there is free access for parents and children – please have a look – great to wake up all of us and with no cost to you!

Please use the website to keep in touch – booklists and calendar are available to download and there are lots of pictures to look at in our Gallery.

Finally I would like to wish our 6<sup>th</sup> Class well as they begin another stage in their lives.

We are glad to hear Niks is improving – we miss you!

Have a great Summer –

Pauline
